From the Principal

Greetings Kruse Families and Happy March!

As we Kruse into Spring, I am happy to report that we have done very well in keeping our kids and staff safe and healthy! Aside from a few one-day false alarms, we've had only one class that needed to shift to remote learning, and have had very limited positive cases across the school. I believe we have had *no transmission occur at school*, which is pretty awesome. No jinx! Thank you all for your role in our success, and for the healthy choices and habits you have adopted for your families. Thanks as well to our wonderful staff for all their work in implementing our 3W safety protocol (Wash hands, Wear a mask, and Watch your distance). Just a little longer, everyone! We've got this!

We have a couple of exciting events coming up this month! First is our **PTO Read-A-Thon Fundraiser**. Information about the fundraiser came home in a packet last week. Please support our wonderful Kruse PTO in all of the ways they support our school, students, and staff! The fundraiser will take place largely online again this year, but cash and check donations can also be sent in. In conjunction with our fundraiser, we will be celebrating Read Across Kruse the week of March 1-5. Our students will be participating in a number of fun reading-related activities. Stay tuned for more info!

And sticking with the topic of reading (one of my favorites), I encourage all students to participate in the Kruse Book Bowl/Battle of the Books Challenge, which will start this month. All students K-5 can participate in the challenge, and interested 3rd-5th graders can sign up for a team competition in April by completing this form: [2012 Kruse Book Bowl/Battle of the Books Registration](#). Registration closes this week!

Thanks, stay well, and keep reading!

Tdap Vaccine Requirement 2021-2022 School Year

All 6th through 12th graders are required to have had a Tdap booster

- Most secondary students have had this booster, and it is recorded on their school record.
- Students entering 6th-12th grade may still need the vaccine.
- The "p" (pertussis) has been added to the standard Td booster in order to protect teens against whooping cough.

Prior to the first day of school, a copy of the immunization record from the doctor's office must be provided to the school.

- If they have already received the booster, you may give this record to their current school before school is out.
- vaccines are recommended for Hepatitis A, Influenza, Meningococcal disease, and Human papillomavirus (HPV), but are not required.

Colorado law ([Board of Health rule 6 CCR 1009-2](#)) requires all students attending Colorado schools and licensed child cares to be vaccinated against certain diseases, unless an exemption is filed.

Exceptions:

Beginning in the 2021-2022 school year, the process of filing a nonmedical exemption will change. There will be two ways to file a nonmedical exemption. Be sure to check with your student's school or child care to find out if it needs a copy of the certificate of exemption.

- File the certificate of nonmedical exemption WITH a signature from an immunizing provider OR
- File the certificate of nonmedical exemption received upon the completion of our online education module.
 - **The Immunization Education Module will be available mid-January 2021.**
- Parents of students in grades K-12 claiming a nonmedical exemption must file one annually. Nonmedical exemptions expire June 30 each year. If you submit a nonmedical exemption on or before June 30, it will not be valid for the upcoming school year unless you signed the exemption during early registration.

Department of Public
Health & Environment

Advancing Colorado's health and protecting the places we live, learn, work and play

Dear PSD parents/guardians of K-12 students in the 2021-22 school year,

We know you are thinking of all the things you need to do to make sure your student is ready for school. Getting vaccinated is an important part of their school readiness and keeps children from catching and spreading diseases that can make them sick. We wish you and your student a healthy school year!

Required and recommended vaccines

- Colorado law requires students who attend a public, private, or parochial kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent, unless a certificate of exemption is filed. For more information, visit cdphe.colorado.gov/schoolrequiredvaccines. Your student must be vaccinated against:
 - ◇ Diphtheria, tetanus and pertussis (DTaP, DTP, Tdap)
 - ◇ Hepatitis B (HepB)
 - ◇ Measles, mumps and rubella (MMR)
 - ◇ Polio (IPV)
 - ◇ Varicella (chickenpox)
- Colorado follows recommendations set by the Advisory Committee on Immunization Practices. Students entering kindergarten must receive their final doses of DTaP, IPV, MMR and varicella. Students entering 6th grade must receive one dose of Tdap vaccine, even if they are under 11 years of age. You can view recommended vaccine schedules at cdc.gov/vaccines/schedules/parents-adults/resources-parents.html.
- Vaccines are recommended for hepatitis A, influenza, meningococcal disease and human papillomavirus, but are not required.

Exclusion from school

- Your student may be excluded from school if your school does not have an up-to-date vaccine record, certificate of exemption, or in-process plan for your student on file.

- If someone gets sick with a vaccine-preventable disease or there is an outbreak at your student's school and your student has not received the vaccine for that disease, they may be excluded from school activities. That could mean lost learning time for them and lost work and wages for you. For example, if your student has not received a MMR vaccine, they may be excluded from school for 21 days after someone gets sick with measles.

Have questions?

- You may want to talk to a healthcare provider licensed to give vaccines or your local public health agency about which vaccines your student needs or if you have questions. You can read about the safety and importance of vaccines at SpreadTheVaxFacts.com, ImmunizeForGood.com, and cdphe.colorado.gov/immunization-education.

Paying for vaccinations

- If you need help finding free or low-cost vaccines and providers who give them, go to COVax4Kids.org, contact your local public health agency, or call the state health department's Family Health Line at 1-303-692-2229 or 1-800-688-7777. You can find your local public health agency at cdphe.colorado.gov/find-your-local-public-health-agency.

Vaccination records

- Please take your student's updated vaccine record to school every time they receive a vaccine.
- Need to find your student's vaccine record? It may be available from the Colorado Immunization Information System. Visit COVaxRecords.org for more information.

Exemptions

- If your student cannot get vaccines because of medical reasons, you must submit a *Certificate of Medical Exemption* to your school, signed by a health care provider licensed to give vaccines. You only need to submit this certificate once, unless your student's information or school changes. You can get the form at cdphe.colorado.gov/vaccine-exemptions.
- If you choose not to have your student vaccinated according to the current recommended schedule because of personal belief or religious reasons, you must submit a *Certificate of Nonmedical Exemption* to your school.

Nonmedical exemptions must be submitted annually at every new school year (July 1st through June 30th of the following year). There are two ways to file a nonmedical exemption.

- ◇ File the *Certificate of Nonmedical Exemption* WITH a signature from an immunizing provider, OR
- ◇ File the *Certificate of Nonmedical Exemption* received upon the completion of our online education module.

Downloadable certificates and our online education module are available at

cdphe.colorado.gov/vaccine-exemptions.

How's your school doing on vaccinations?

- Some parents, especially those with students who have weakened immune systems, may want to know which schools have the highest percent of vaccinated students. Schools must report immunization and exemption numbers (but not student names or birth dates) to the state health department annually. Schools do not control their specific immunization and exemption rates or establish the Vaccinated Children Standard described in C.R.S. 25-4-911. Schools must include their MMR immunization and exemption rates from the most recently completed school year in this letter. Schools may choose to also include immunization and exemption rates for other school-required vaccines. Additional immunization and exemption rates can be found at [COVaxRates.org](https://www.covaxrates.org).
- For a full list of MMR immunization and exemption rates, listed by school, please [visit this page](#) on the Poudre School District website.

**PTO**

Dear Kruse Families,

We know that 2020 was a difficult year for all of us, in different ways. 2021 holds a lot of promise and hope, but we still have a ways to go before we can see a new version of normal. As a PTO, we hesitated before moving forward with this year's fundraiser, due to all the different situations each family might find themselves in.

We eventually concluded that it is important for us to continue to hold the annual fundraiser, especially because of all the difficulties. Unfortunately, due to these unprecedented times, we see the need for more opportunities to support the school, each classroom, and the Kruse community in the coming years.

We have kept our goal low and our focus this year is school-wide incentives and school-wide rewards. We want every student to feel included regardless of their ability to participate in the fundraiser. We have also created opportunities for students to earn raffle tickets for individual prizes unrelated to monetary donations.

We are thankful for all our Kruse families! We are always surprised by the incredible generosity of the Kruse community.

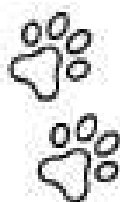

Sincerely,

Your Kruse PTO

Register today!

1. Visit our Kruse Fundraiser website at: <http://pledgestar.com/kruse/> (you should also have an email with a link for this).
2. Click the "Not Registered for this Year's Event" and complete the short form.
3. Select "Click Here to Enter Participants" to register each of your students. Enter their first name, last name and select their grade and teacher. Select PSDV if your child is co-enrolled in PSDV this year.
4. Uploading a photo is optional. If you choose to include a photo, only individuals invited to your donation site will see it.

Now you're ready to invite family and friends!

Add Family & Friends + Track Donations

(This page shows the family and friends you invite, along with their optional status, outstanding amount and payment amount)

Your page looks like this for 10 participants:

- You can import contacts from one of the supported emails or input them yourself.
- Don't know an email? No problem, invite them using text message!
- If you register multiple students your recipients will only receive one email.
- Share your donation page on your social media!

Bookmark Design Contest!

Design a one-sided original creation! The entries will be judged, and 2 winners will be chosen, one from K-2, and one from 3-5. The winner's bookmarks will be printed and handed out to all Kruse students. The 1st, 2nd and 3rd place winners in each group will receive an additional raffle ticket.

Theme of bookmarks: Reading!

Rules to remember:

- Write your name and teacher on the back of the bookmark, not on the front
- Create with the theme of reading in mind
- Do not add anything 3-dimensional or anything that would prevent us from making a copy of it
- Finished bookmarks are due Friday March 6th, turn into your teacher or at the office.
- Finished bookmarks should be 6 inches by 2 inches
- Not following these guidelines may make your bookmark ineligible from winning
- Only one submission per student

Bookmarks must be turned in on
February 26th

Teachers will be voting on the top winners and the winners will be announced at the Read Across Kruse Celebration

Read Across Kruse Week

This year, we will have our annual Read Across Kruse week from Monday, March 1st to Friday, March 5th! This will match up with the final days of the Read-a-thon fundraiser. Read Across Kruse week is all about encouraging kids to enjoy reading!

Read Across Kruse Theme Days

Monday – Many Colored Mondays (wear multiple colors)

Tuesday – Green Eggs and Ham Tuesday (wear green)

Wednesday – Wacky Wednesday (wear wacky outfits)

Thursday – Cat in the Hat Thursday (wear hats)

Friday – Fox in Socks Friday (wear fun socks)

Tracking Reading

Throughout the week, we will have a friendly competition to see which grade level can read the most at home. Each morning, classroom teachers will get a count of which students read 20 or more minutes the previous evening. We will keep running totals for each grade level in the hallway. This is just for fun and to encourage kids to read more!

Estimadas familias de Kruse,

Entendemos que de distintas formas, el 2020 fue un año difícil para todos. El 2021 viene con muchas promesas y esperanzas pero aun tenemos mucho camino por andar antes de ver la version de una nueva normalidad. PTO (organizacion de padres de familia) tuvo una difícil decision al determinar seguir adelante con la actividad para recoleccion de fondos este año, pues hay diversas situaciones que cada familia vive.

Eventualmente llegamos a la conclusion de que es importante continuar con el evento anual de recaudacion de fondos especialmente por todas las dificultades que se han presentado. Desafortunadamente, por estos tiempos sin precedente nos vemos en la necesidad de buscar más ayuda y oportunidades para apoyar a nuestra escuela, salones de clase y a la comunidad de Kruse hoy y en los años venideros

Nos propusimos una meta moderada, y el enfoque este año es para todos, incentivos y premios en general. Queremos que todos los alumnos se sientan incluidos sin importar la habilidad que tengan de participar en la recaudación de fondos. También creamos oportunidades para que los alumnos obtengan boletos para rifas de premios sin aportación de donaciones,

¡Estamos agradecidos con todas nuestras familias de Kruse! Y siempre nos sorprende la generosidad tan increíble que tiene nuestra comunidad de Kruse.

Sinceramente,

Su PTO de Kruse

Semana de Leyendo a traves de Kruse

Este año, celebraremos la semana de leyendo a traves de Kruse del lunes 1ro de marzo al Viernes 5 de marzo! Esto concuerda con los ultimos dias del evento de recaudacion de fondos "Read a Thon". Leyendo a traves de Kruse es todo acerca de animar a los niños a disfrutar la lectura!

Leyendo a traves de Kruso dias tematicos:

Lunes – Muchos lunes coloridos (viste multiples colores)

Martes – Huevos verdes con jamon (viste de verde)

Miercoles – Miercoles loco (viste algo loco/extravagante)

Jueves – Gato en el sombrero (ponte un sombrero)

Viernes – zorro en calcetines (ponte calcetines divertidos)

Reporta lo que lees

A traves de la semana, tendremos una competencia amistosa para ver que grado logra leer mas en casa. Cada mañana, los maestros del salon contarán que alumnos leyeron 20 o mas minutos la noche anterior. Contaremos los totales por cada grado en el pasillo. Esto es solo por diversion y para animar a los niños a que lean mas!
