

Kruse PTO

Supporting our School - Supporting our Kids

What is the Kruse PTO?

PTO stands for Parent Teacher Organization, it's the group of parents and teacher representatives that meet to organize events and fundraisers with the goal to better support Kruse Elementary, it's staff members and ultimately your children.

What are some of the ways I can be involved?

- Volunteer for a single event. There will be times that the PTO will be looking for volunteers to help out for a short amount of time during different events like helping with the bookfair.
- Bring in donations of food or materials. We will occasionally reach out to Kruse families to bring in donations for food, gift cards, posters and other items that help us serve the school.
- Come to meetings. Help us plan our events and ways to help the school and our kids thrive.

To be notified of opportunities to volunteer or bring in donations email Jen Koerlin at krusevolcoord@gmail.com

These are just a few examples, if you have a talent, a business or anything else that you see could benefit the school reach out to use and let us know. We are always looking for fresh ideas and resources to best serve the school.
